Dear Admiral Turner:

In November, 1962, I began a collection of historic mementoes. Included in my collection are autographs and photographs of distinguished persons; the signatures of President Jimmy Carter (while he was Governor of Georgia), Attorney General Griffin B. Bell and the Director of the Federal Bureau of Investigation Clarence M. Kelley; and autographed photographs of the former Chairman of the Joint Chiefs of Staff Admiral Thomas H. Moorer, USN, Chief of Naval Operations Admiral James L. Holloway III, USN, and former Chief of Naval Operations Admiral Elmo Zumwalt, USN.

I have tried to make my collection a chronicle of twentieth century history by representing, through autographs and photographs, those who have made significant contributions to the social, cultural and political history of our times. I would like very much to add your autograph to my collection.

If you could possibly find the time, Admiral Turner, to send a small note or a photograph with your signature for my collection, I would be most grateful. Many thanks.

With all best wishes.

Sincerely yours.
